**Eddie Ezell**  
**Sixth Grade**

**I was born in North Little Rock Arkansas and spent much of my childhood in Oklahoma. I moved to Fort Worth, Texas in 1983 and a year later graduated from Castleberry High School. I moved to Alaska in 1985 to attend the University Of Alaska. I graduated in 1990 with a Bachelor Degree in Political Science and History. In 1994, I received a Masters Degree from Alaska Pacific University in Environmental Science and two years later finished up work on my M.B.A., also from Alaska Pacific University. After several years working for the Union Pacific Railroad, I moved back to Alaska and received Masters Degree in Education in 1999. I taught in Kodiak and the Anchorage School District for a couple of years before taking a job here at St. Elizabeth Ann Seton in 2006. In my free time I enjoy reading, bicycling, and hiking, and in the summers I enjoy going back to Oklahoma to visit my Dad.**
